

AlphaSearch Advisory Partners is celebrating its 25th year providing Executive Search and Advisory Services to the financial services industry.

We are a global search firm, with offices in NY, London and Singapore. We specialize in sourcing and recruiting top-tier investment professionals for Hedge Funds, Fund Of Funds, Traditional Asset Management Firms and Investment Banks. With over 25 years of experience, we have successfully completed thousands of searches for companies, who, through their hiring agenda, are role models in the industry. We have a deep understanding of the hedge fund business and the challenges faced at its current level of maturity.

WE ARE STRATEGIC INVESTMENT IN HUMAN CAPITAL. We are focused on sourcing the best human capital for our clients in the alternative investment and proprietary trading industry. We know long term success requires creativity in developing new strategies and in diversification. We are a proven leader in recruiting talent and building teams in the prop trading and hedge fund world.

OUR ROLODEX IS DEEP. We have an extensive network of proven talent from traditional and alternative asset managers, investment banks, broker-dealers, and the academic, legal and vendor communities. We concentrate in sourcing and placing professionals in the following areas: Global Macro, Emerging Markets, Statistical Arbitrage, Capital Structure & Convertible Bond Arbitrage, Energy & Utility Arbitrage, Fixed Income Arbitrage, Relative Value, Event Driven, Risk Arbitrage, Distressed Debt, Credit Strategies, Equity Long/Short, Real Estate and Fund of Hedge Funds.

FASTEST TIME TO COMPLETION: We introduce candidates by the second week of engagement, allowing for final selection in 30 to 40 days. We are able to act quickly, recruit top talent and negotiate compensation structures that make sense for the long term effectiveness of the entire team.

WE BUILD PROFIT-PRODUCING TRADING TEAMS. AlphaSearch is the oldest search firm whose TRUE core competency is building teams with direct P&L responsibilities: Portfolio Managers, Traders and Analysts with 3 year track records of making profits. We deliver the talent that makes you money. Additional organizational functions of successful past searches include CIO, Marketer, Risk Manager, CTO and others.

OUR UNIQUE FEE STRUCTURE MIRRORS THE 'EAT WHAT YOU KILL' ECONOMICS OF OUR CLIENTS. It creates the first true alignment of interests and incentives between a search firm and a corporate client. You can make offers in a zone of comfort and trust, knowing AlphaSearch's fees do not increase if you need to boost salaries or make guarantees. In fact, the higher the guarantee, the lower our fees can go. Further, with our Partners in Profit option, you pay us from the profits your new hire(s) generates.

Our professionals are available to answer any and all inquiries at (516) 626-7896.
